

## *Promoting Independence, Choice and Dignity*

Petersen Commons offers affordable assisted living services in private apartments with 24 hour staff. We customize personal service and care plans based on your individual needs. Petersen Commons provides maximum independence along with activities that promote friendship and wellbeing.

Local shopping and medical services are all nearby. The Putnam Museum and IMAX Theater are just down the street. Make yourself at home at Petersen Commons on the Marycrest Campus.

## *Historic Marycrest*

The beautiful Marycrest campus has been redesigned into one of the most spacious senior living communities in the Midwest. We offer warm and inviting private apartments and a dedicated assisted living residence with the security of an available nursing staff.

Luxurious surroundings and professional services at an affordable price are offered at Petersen Commons. Petersen Commons is the only truly affordable assisted living in Davenport designed by the State of Iowa for the average person with limited resources.

Our staff is also available to guide you to other resources within the community to assist you in making this your new home.
